

Heavy Duty Axial Fans AFA Series

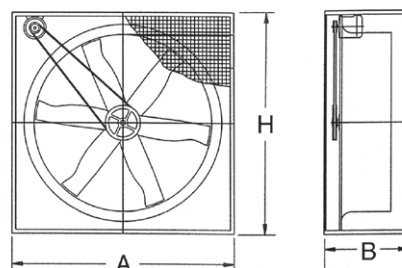

- Suitable for high air volumes at low velocity.
- Motor protection IP 55. Class F.
- Aluminum gravity grill and protective grid.
- V-belt and pulley transmission drive.
- **Motor 400V.**
- Galvanized Steel Sheet Frame.
- Speed regulation capability.
- Speed controllers, pages 166-169.

Application: Suitable for greenhouses, porkhouses, warehouses, industrial installations etc.

AFA - 380V Series					
Type	Power (HP)	RPM	Air flow (m³/h)	Price	
AFA - 650	0,33	580	9.000	€	957,00
AFA - 950	0,50	580	16.000	€	1.045,00
AFA - 1400	1,50	460	43.100	€	1.320,00

AFA Series Dimensions			
Type	A (mm)	B (mm)	H (mm)
AFA - 650	650	450	650
AFA - 950	1.000	450	1.000
AFA - 1400	1.380	450	1.380

Industrial Type Portable Long Cased Fan TUBO Series

- Heavy duty, portable industrial fan.
- IP 54, Class F Motor.
- Manufactured with feet - flange - protective grid, fan switch with plug etc, upon request.
- Electric motors at 110V - 230V - 380V – 440V.

Suitable for ventilating ship holds, garages, warehouses, paint houses, advertising promotions etc.

TUBO Series					
Type	Power (kW - HP)	RPM	Voltage VOLT	Air flow (m³/h)	Price
